

LME Diagnostic Plots for HASPI in Low Reverberation Environment

Fixed effects: Program and SNR; Random effect: Audiogram

Predicted Values vs. Residuals

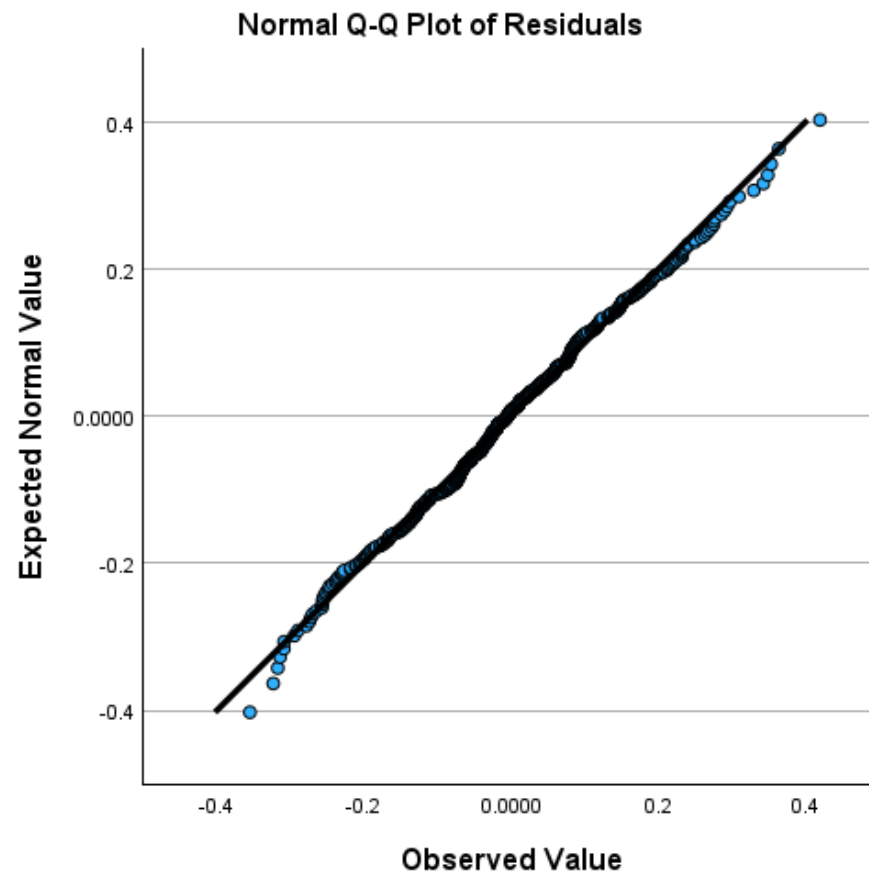

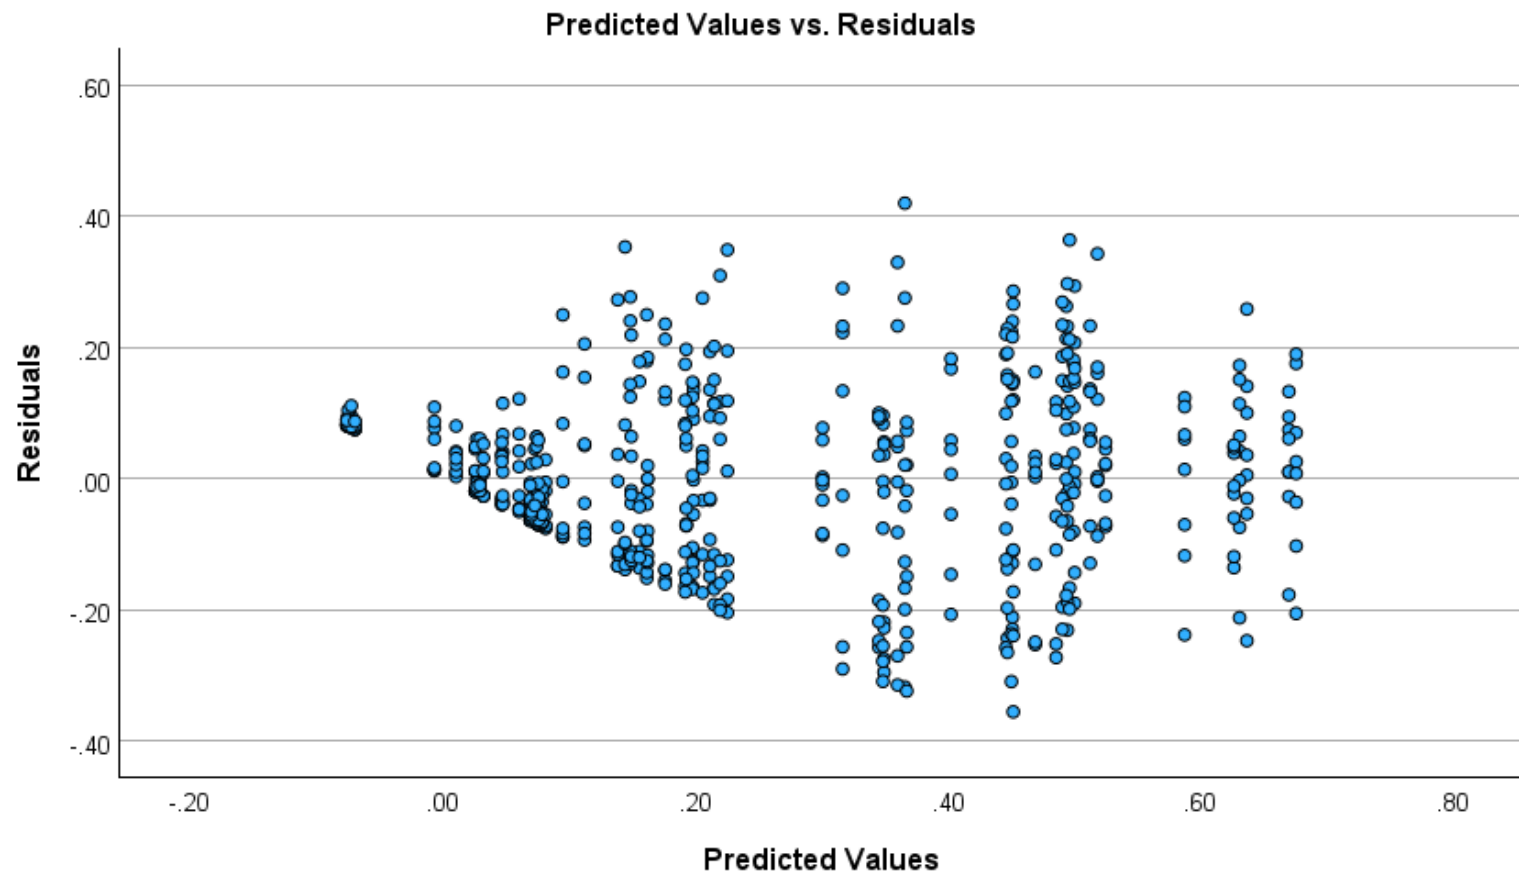

Normal Q-Q Plot of Residuals

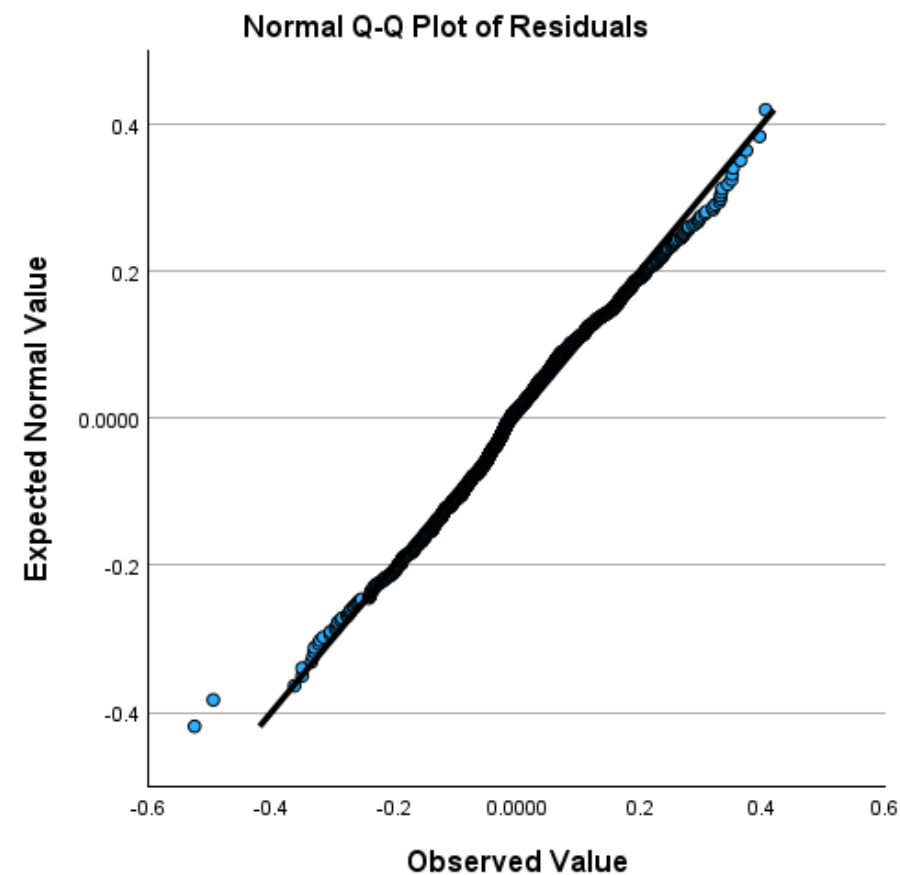

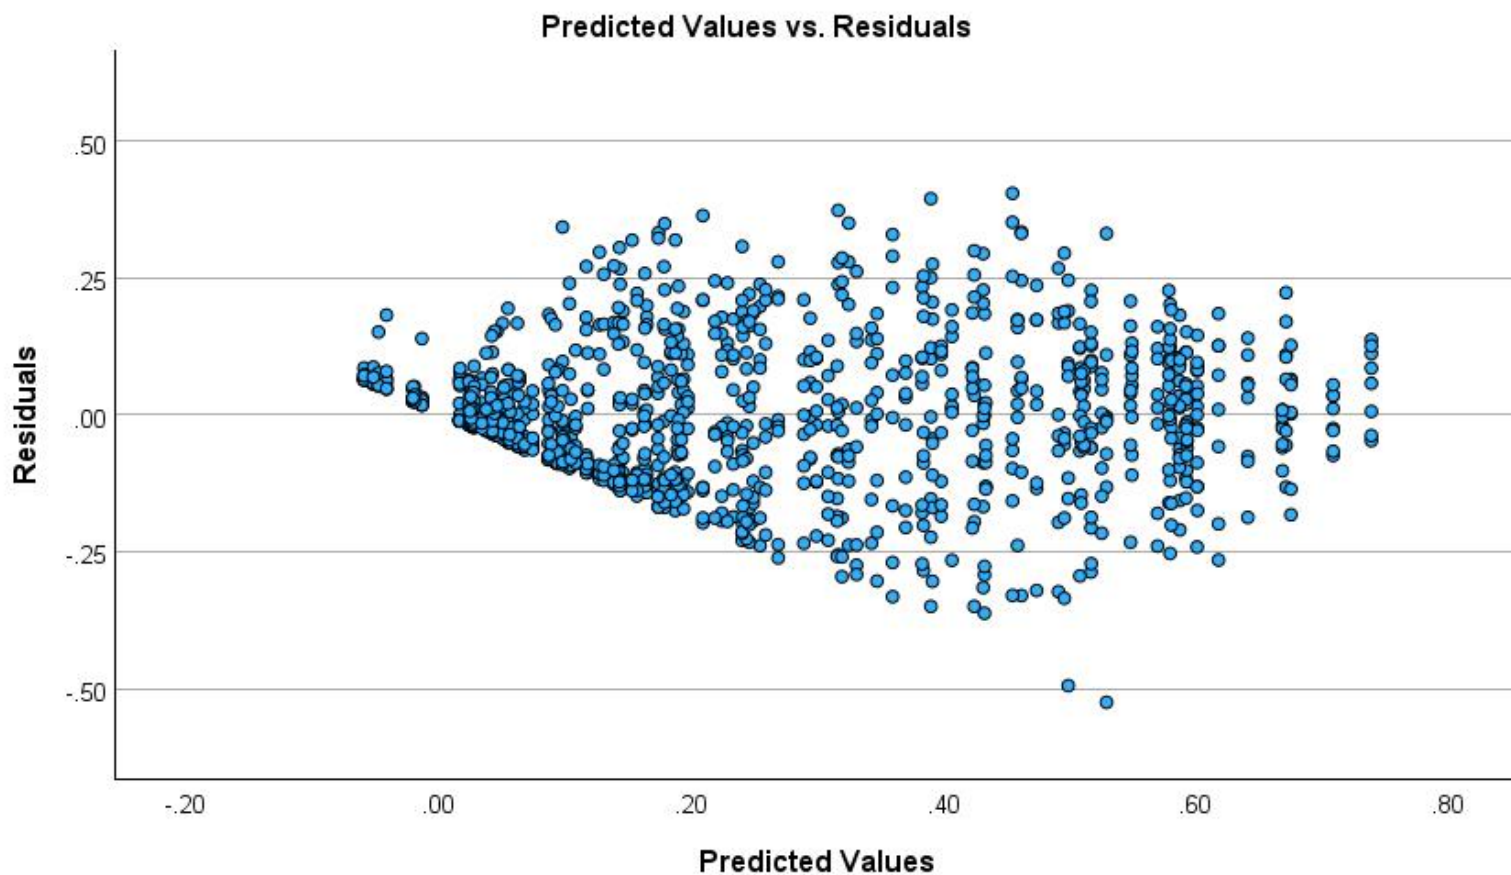

LME Diagnostic Plots for HASPI in Medium Reverberation Environment

Fixed effects: Program and SNR; Random effect: Audiogram

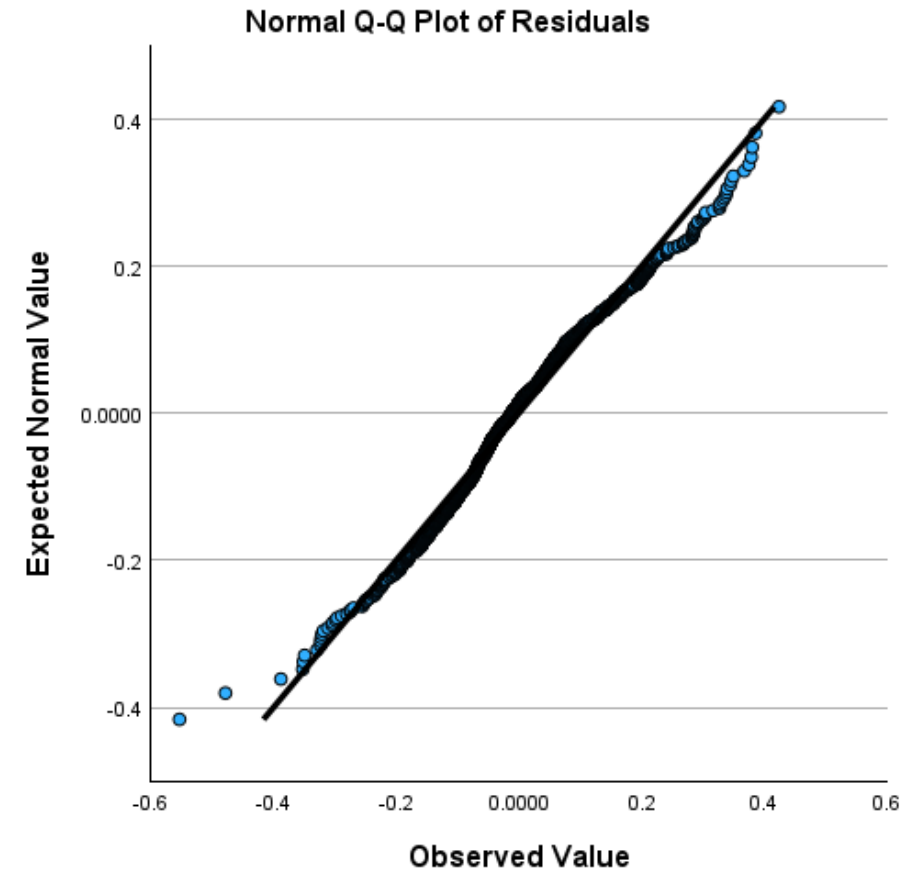

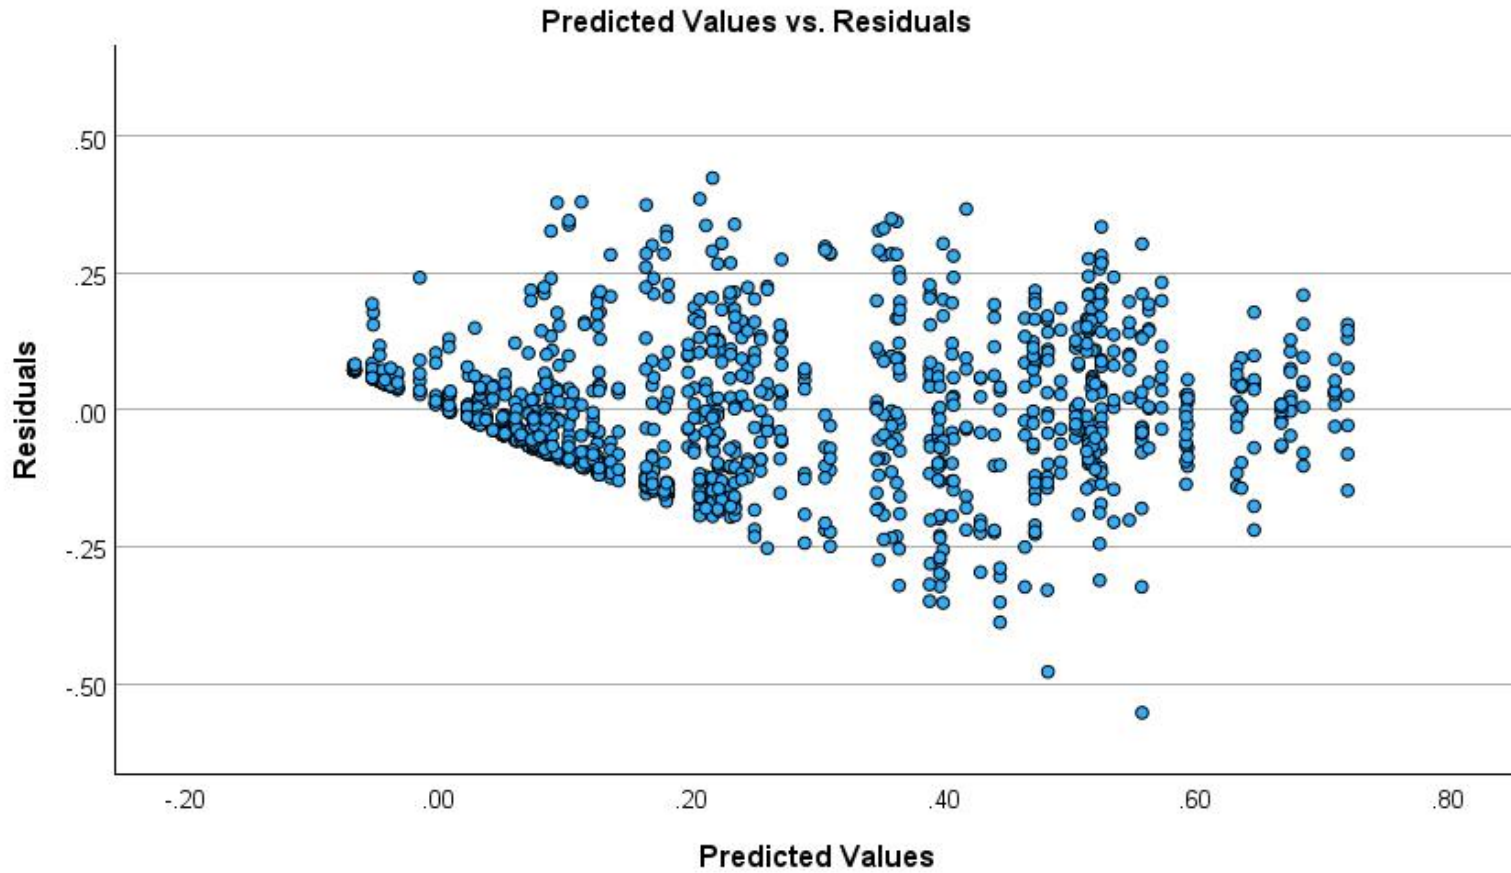

LME Diagnostic Plots for HASPI in Both Environments

Fixed effects: Program, SNR, and Venting; Random effect: Audiogram

LME Diagnostic Plots for HASPI in Both Environments

Fixed effects: Program, SNR, and Noise Type; Random effect: Audiogram

LME Diagnostic Plots for HASPI in Both Environments

Fixed effects: Program, SNR, and Azimuth; Random effect: Audiogram
